

Giulia Saetta

Strategic UX Designer with an MSc in Service Design

5+ years experience

I design complex digital services and platforms for B2G and Gov-Tech environments, always putting the user at the heart of every solution.
Driven by data-informed design and collaboration, I turn complex challenges into clear, usable and impactful experiences.
I focus on delivering work that not only meets expectations, but creates real value for users, organizations and the public sector.

Professional experience

UX Designer | BABLE - Smart Cities

Jul 2025 - Present, Barcelona

Lead UX design initiatives for Smart City and B2G platforms, shaping digital experiences through product & service strategy, design systems and interactive prototypes, while working closely with cities and cross-functional teams to align solutions with real-world needs.

UX Consultant | Dentsu - CUPRA
Jan 2025 - Present, Barcelona
Collaborate with cross-functional teams to design UX solutions for CUPRA, conducting user research and interviews across multiple markets. Develop wireframes and prototypes, contributing to the refinement of design systems and enhancement of digital experiences through data-driven insights.

AI Prompt Consultant | Outlier
Apr 2025 - Present, Barcelona
Freelance expert at Outlier.ai: content analysis and validation, with a focus on ChatGPT and Gemini.

UX/UI Designer | PRE:MIND
Apr 2022 - Aug 2024, Barcelona
Led the redesign of the company's visual identity, ensuring brand consistency across platforms. Managed UX/UI design for a new app, including user research, wireframing, and prototyping in collaboration with developers. Engaged with startups to expand the B2B customer base and optimized email designs to improve user engagement.

Digital Content Strategist | Koko
Sep 2021 - Apr 2022, Sicily
Developed strategic content for social media and blogs to enhance brand visibility.

Web Experience Designer | Pollini Home Srl
Jan 2021 - Jul 2021, Bologna
Transformed initial wireframes into an engaging, user-friendly platform, and optimized UI layout to increase user interaction and retention.

Multimedia Artist & Visual Storyteller | Freelance
2015 - Present, Italy/Spain
Produced custom multimedia content for over 30 artistic exhibitions, events, and actor portfolios
